A young Cristiano Ronaldo is shown from the chest up, looking through a green goal net. He has dark, curly hair and is wearing a dark jacket. The background is slightly blurred, showing what appears to be a stadium or outdoor setting. The text 'ABOUT HIM' is overlaid in white, serif font across the top center of the image.

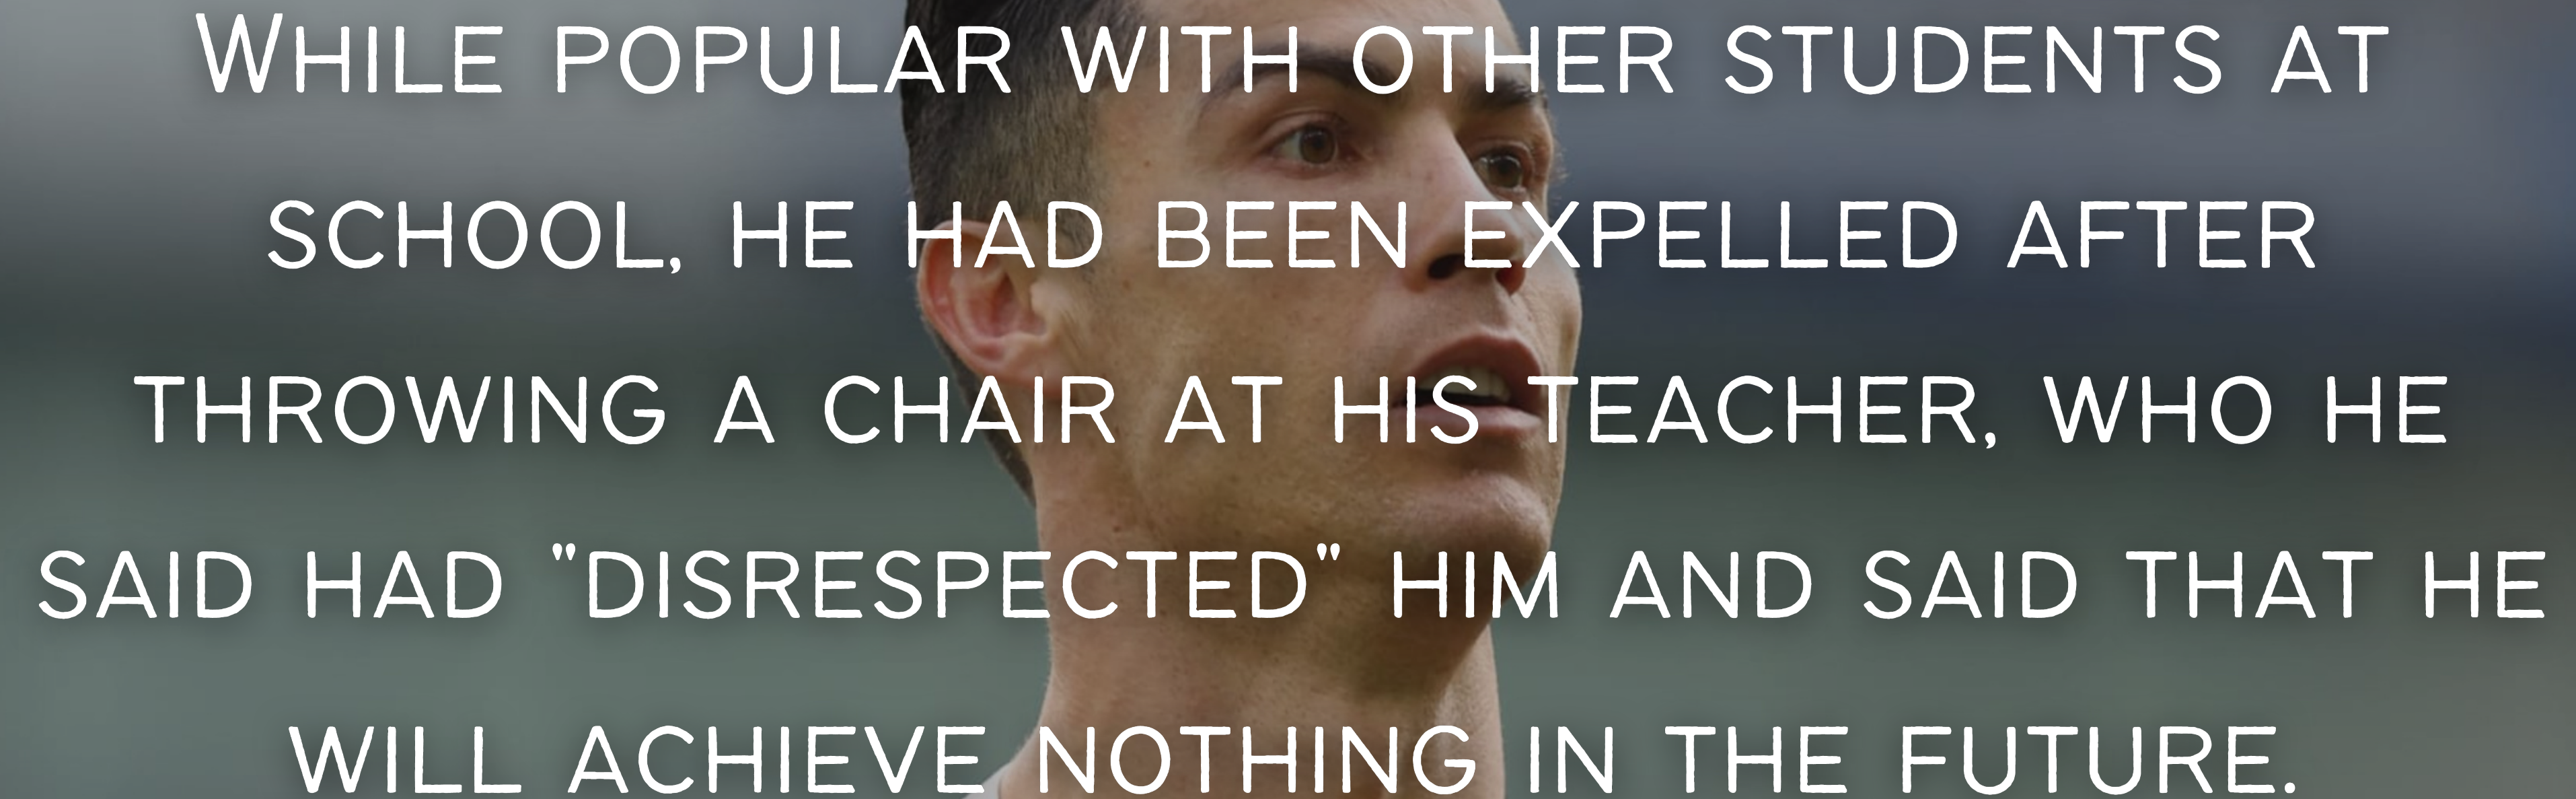

# ABOUT HIM

CRISTIANO RONALDO WAS BORN IN FEBRUARY 5, 1985 IN FUNCHAL PORTUGAL. HE IS A PORTUGUESE PROFESSIONAL FOOTBALLER WHO PLAYS AS A FORWARD FOR AND CAPTAINS.

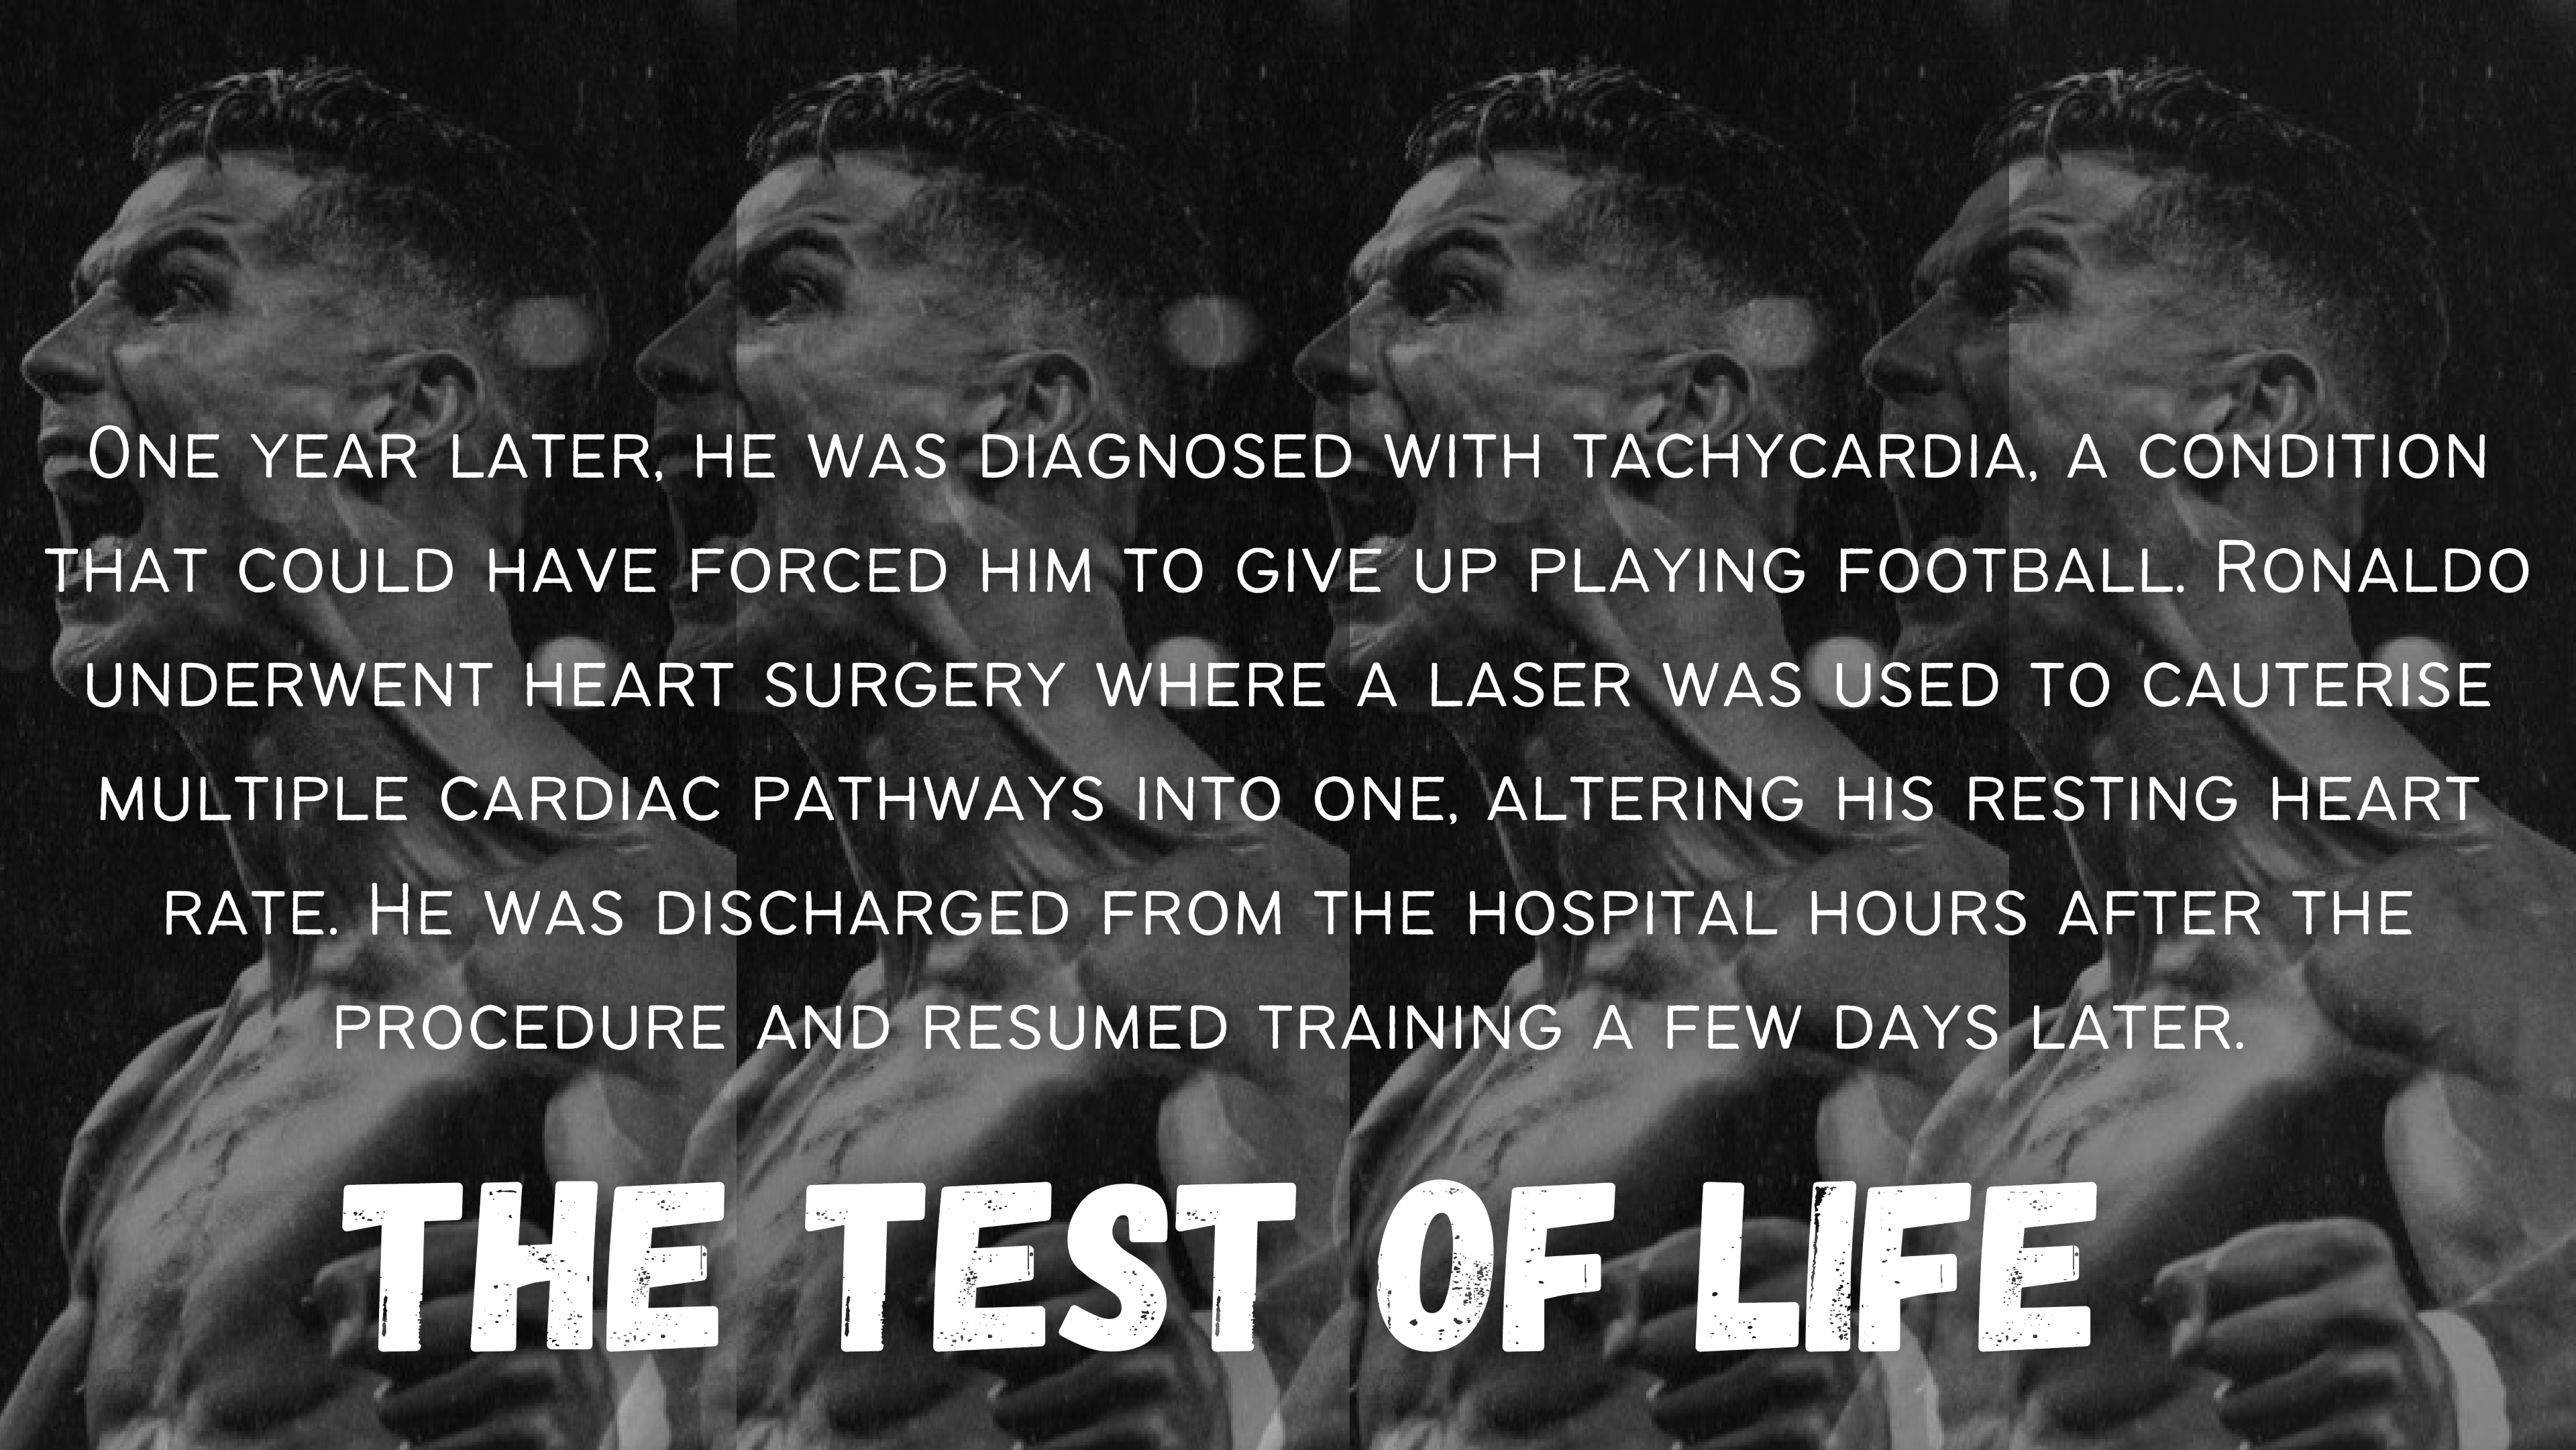

# HIS CHILDHOOD

He is the fourth and youngest child of Maria Dolores dos Santos Viveiros da Aveiro. Ronaldo grew up in an impoverished Catholic Christian home, sharing a room with all his siblings.

A young man with dark hair, wearing a red soccer jersey with white stripes on the shoulders, is shown from the chest up. He is looking upwards and to the right with a determined and slightly intense expression. The background is a plain, light-colored wall.

WHILE POPULAR WITH OTHER STUDENTS AT SCHOOL, HE HAD BEEN EXPELLED AFTER THROWING A CHAIR AT HIS TEACHER, WHO HE SAID HAD "DISRESPECTED" HIM AND SAID THAT HE WILL ACHIEVE NOTHING IN THE FUTURE.

ONE YEAR LATER, HE WAS DIAGNOSED WITH TACHYCARDIA, A CONDITION THAT COULD HAVE FORCED HIM TO GIVE UP PLAYING FOOTBALL. RONALDO UNDERWENT HEART SURGERY WHERE A LASER WAS USED TO CAUTERISE MULTIPLE CARDIAC PATHWAYS INTO ONE, ALTERING HIS RESTING HEART RATE. HE WAS DISCHARGED FROM THE HOSPITAL HOURS AFTER THE PROCEDURE AND RESUMED TRAINING A FEW DAYS LATER.

# THE TEST OF LIFE

# THE BEGINNING OF RONALDO'S CAREER

A young Cristiano Ronaldo is shown in a close-up, wearing a white and green striped Sporting CP jersey. He has a focused and intense expression, looking slightly to the right. The background is dark and out of focus, suggesting a stadium or training ground setting.

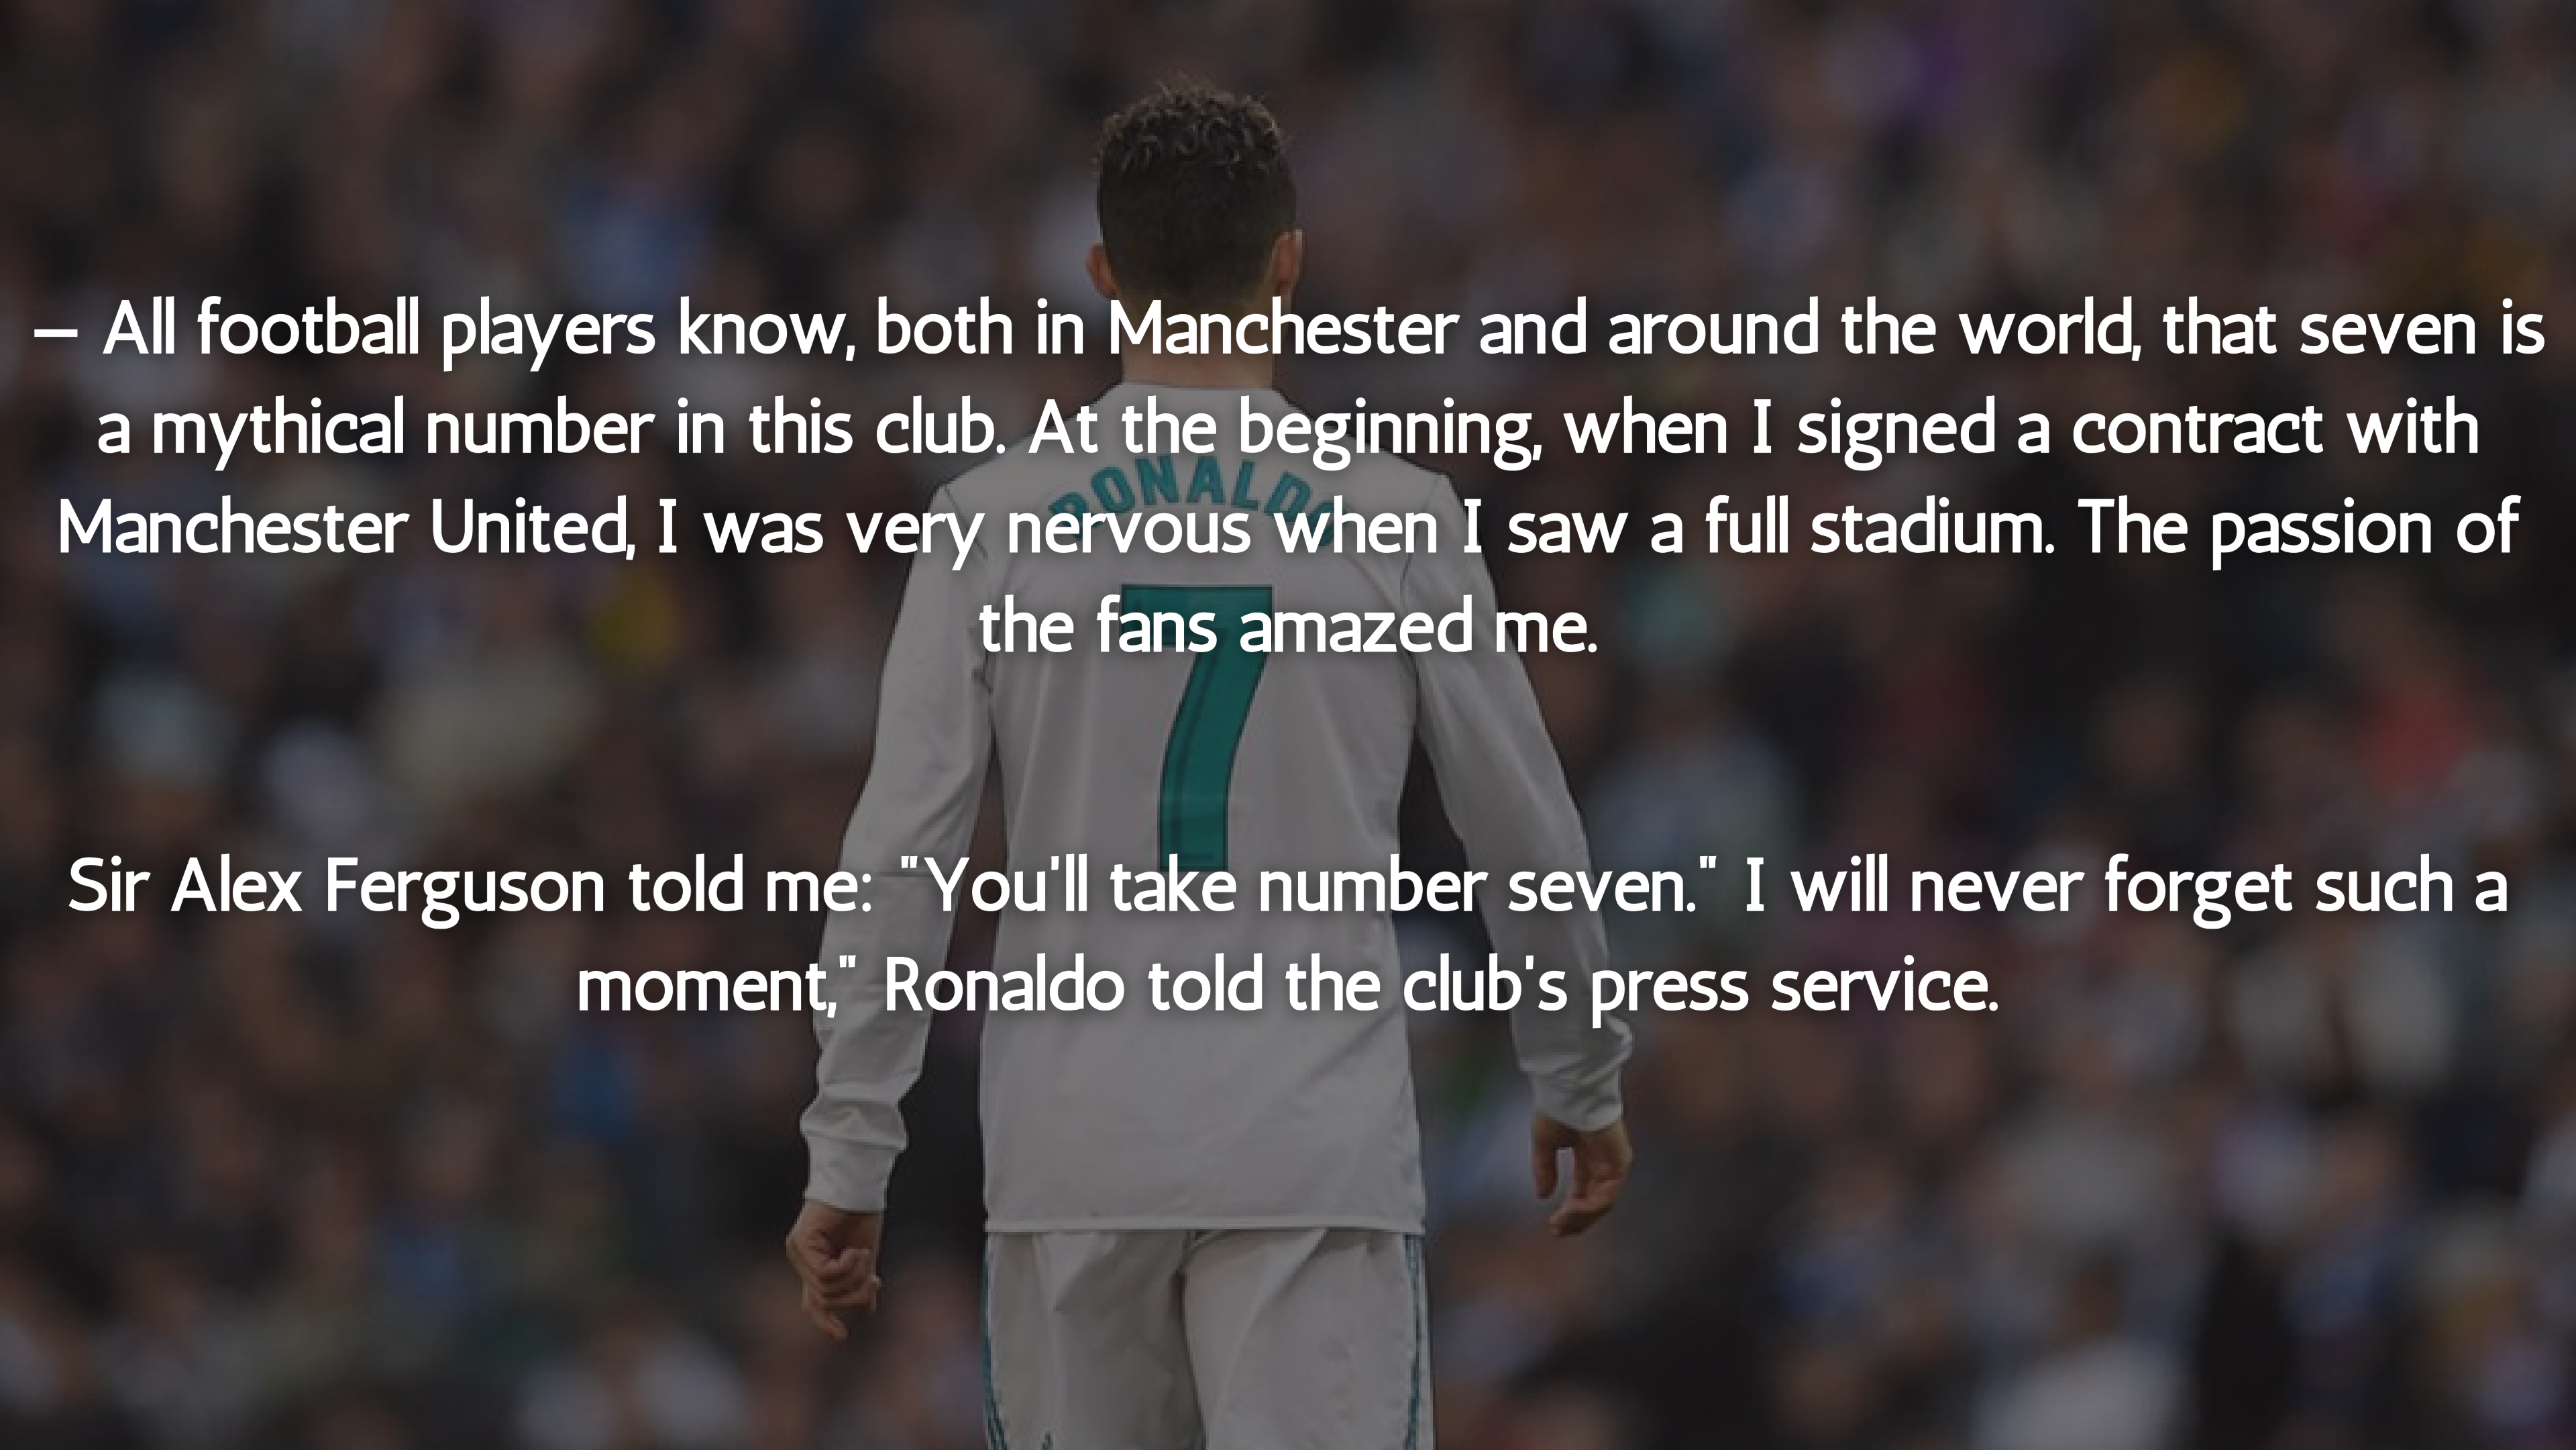

At age 16, Ronaldo was promoted from Sporting's youth team by first-team manager László Bölöni, who was impressed with his dribbling. He subsequently became the first player to play for the club's under-16, under-17 and under-18 teams all within a single season.

**NUMBER**

RONALDO

7

– All football players know, both in Manchester and around the world, that seven is a mythical number in this club. At the beginning, when I signed a contract with Manchester United, I was very nervous when I saw a full stadium. The passion of the fans amazed me.

Sir Alex Ferguson told me: "You'll take number seven." I will never forget such a moment," Ronaldo told the club's press service.

PURPOSEFULNESS

**Everyone knows that the biggest secret of Ronaldo's success is his diligence. Juventus head coach Andrea Pirlo said that Ronaldo is the first to come to training and the last to go home. Besides being a great footballer, Cristiano Ronaldo always tries to have a good body, and this is one of the reasons why he is rooting for him.**

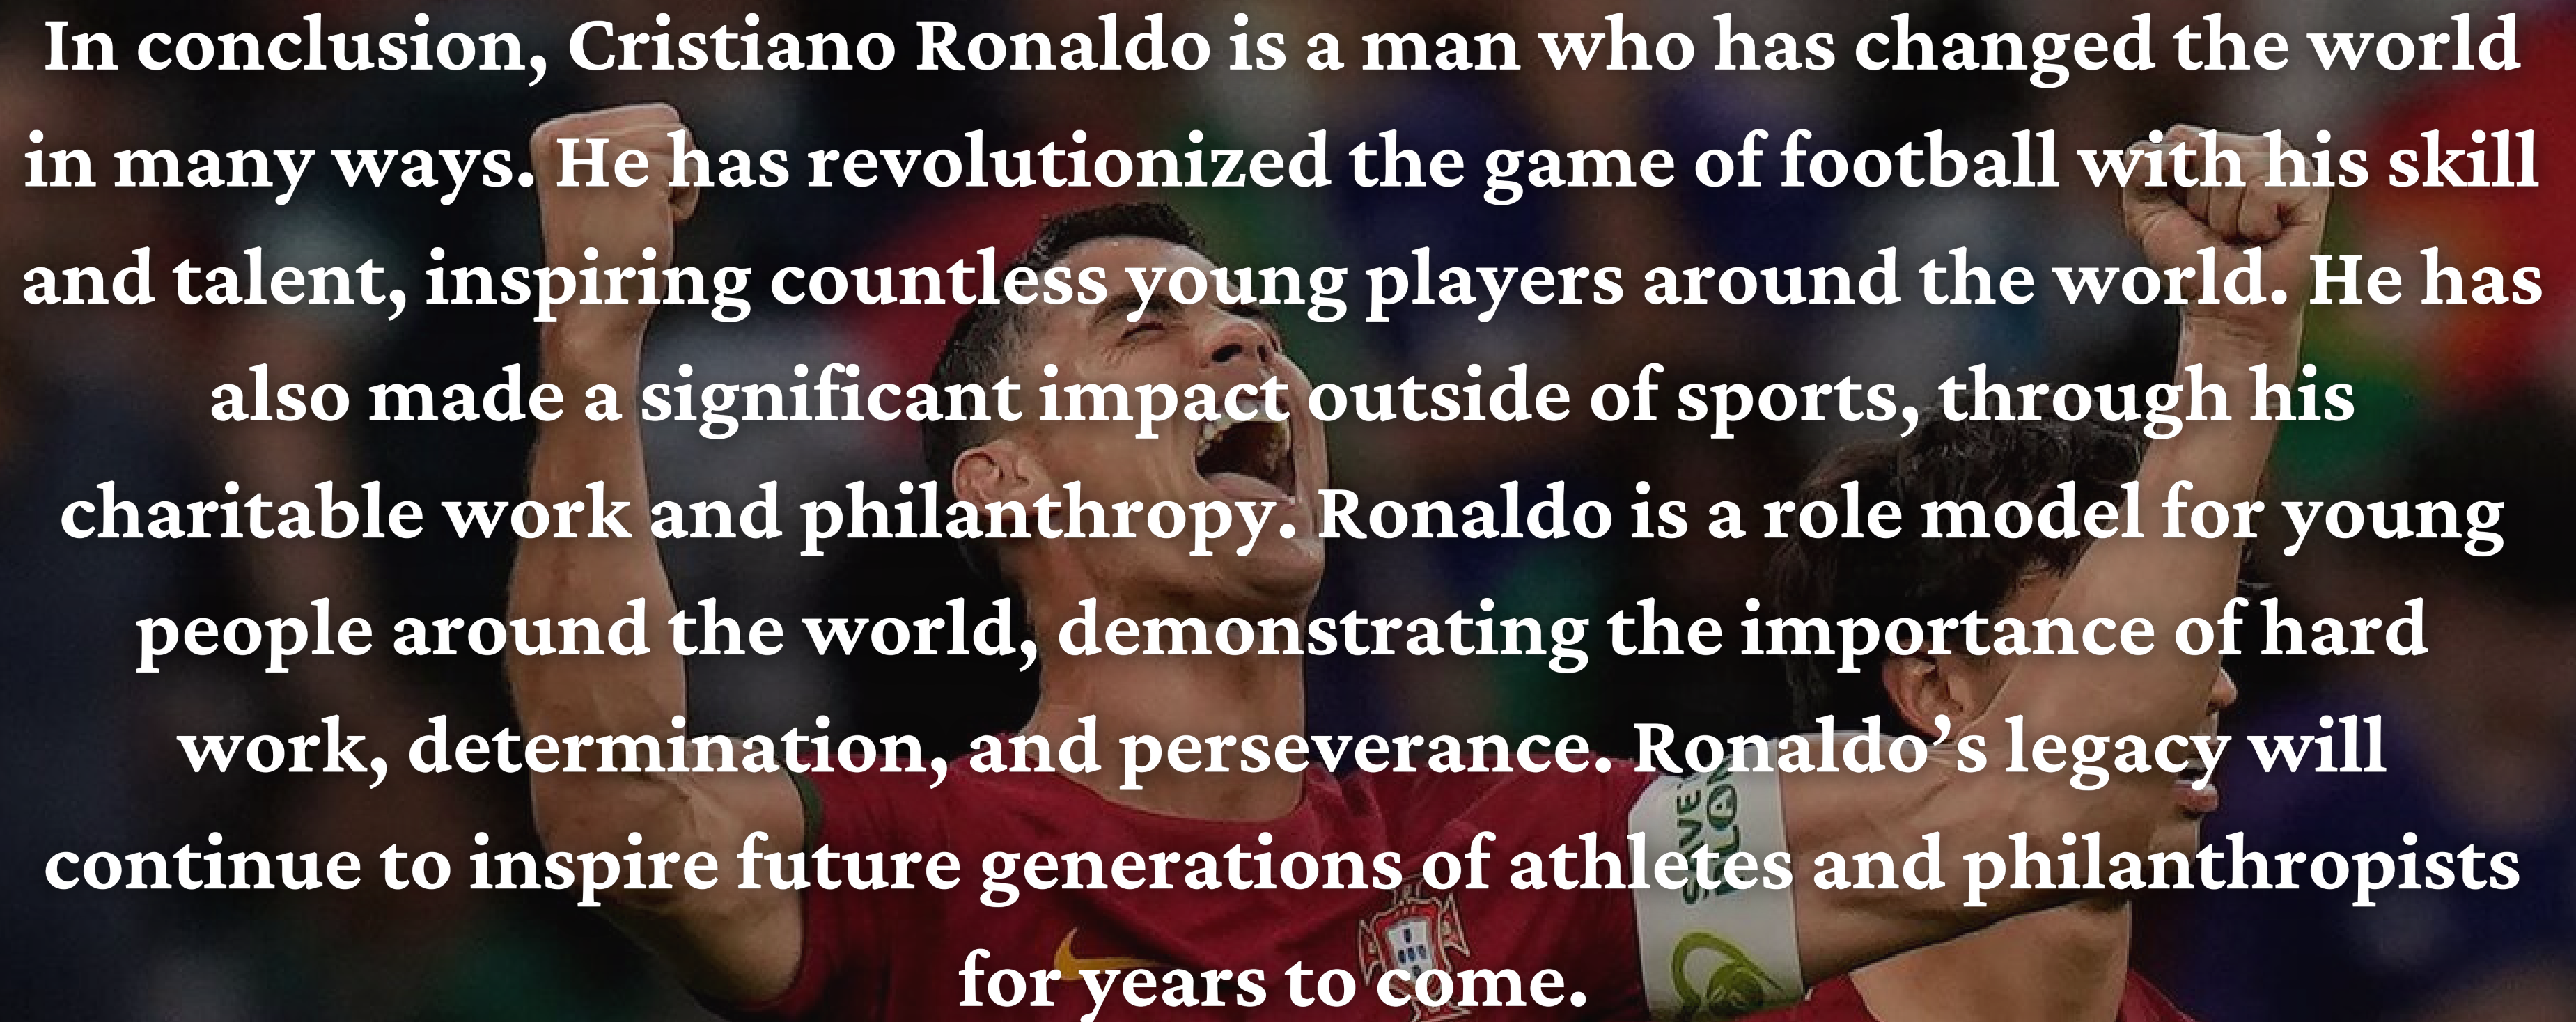

Ronaldo calls his magnificent body a strict regime and follows him. he trains conscientiously every day in a very strict regime, except Thursday is his day of rest. He makes about 3,000 push ups a day, but he says sharply that this is not the case, and these are unfounded rumors:

A soccer player in a white jersey with black stripes on the sleeves is shown in profile, shouting or celebrating on a field. The background is a blurred stadium filled with spectators.

Lots of people started to watch football by him.  
Cause he is idol of many people, include me. And  
children, whos playing in the yard, with his t-shirts  
they pretend to be like him, and when they score a  
goal they are doing his special

**SU!!!!!!.**

Ronaldo is in the foreground, wearing a red Portugal jersey with the number 7, shouting with his mouth wide open and both arms raised in a fist. His teammate is partially visible behind him, also with arms raised. The background is a blurred stadium crowd.

**In conclusion, Cristiano Ronaldo is a man who has changed the world in many ways. He has revolutionized the game of football with his skill and talent, inspiring countless young players around the world. He has also made a significant impact outside of sports, through his charitable work and philanthropy. Ronaldo is a role model for young people around the world, demonstrating the importance of hard work, determination, and perseverance. Ronaldo's legacy will continue to inspire future generations of athletes and philanthropists for years to come.**
